In our opinion, (name of occupational association) has complied, in all material respects in the preparation of the Return as evaluated against the Guidance.

Basis for Opinion

We conducted our engagement in accordance with the Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Australian Auditing and Assurance Standards Board.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- (a) The compliance activity undertaken to meet the preparation of the Return
- (b) Identification of risks that threaten the preparation of the Return identified above being met and controls which will mitigate those risks and monitor ongoing compliance.

An assurance engagement to report on (name of occupational association)'s compliance with the preparation of the Return involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet that requirement.
